Dear Mr. Sudweeks:

Re: TUG-Joint Venture Mine, PRO/003/007, Folder No. 3, Box Elder  
County, Utah

Enclosed please find a copy of Western States Minerals Corporation's response to review comments for the above referenced mine.

Even though a construction permit has been issued by your office, your comments are solicited regarding a proposed stockwatering/wildlife pond to be developed in the mine pit as discussed in the enclosed response.

Your comments prior to January 25, 1985 would be greatly appreciated.

Should you have any questions, please don't hesitate to call myself or Lynn Kunzler.

Sincerely,

*Susan C. Linner*
